Comment:	The Russian ship known as The Gaselys a Russian natural gas (LNG) ship, which arrived in Boston Harbor on Sunday Jan 28, will be offload gas for use in New England. A second tanker named Provalys expected at U.S. middle of Feb. 15, See web site as www.kpler.com Lpler is a global ship tracking company. This is nuts, and crazy, who is running the energy dept ?? Why is New England blocking pipelines from the Marcellus, domestically produced gas that is cheaper, if they need Home heating gas ; why not AMERICAN GAS ???? outrageous, Several news outlets reported. Buy America, support taxpayers and budget to help poor. Why send money overseas. ?? this is harming America small business. * ↻
